The workshop was called to Order at 5:00 p.m.

The Board Members, the Town Attorney, and members of the public met at 1060 Hilton Parma Corners Road to look at the property for variances requested in an application to the Zoning Board of Appeals to erect a 50x70 storage building.

There was discussion about different placement options of the structure and what will be stored inside the structure. Any modifications to the original agreement will have to be modified and made current. The Board relayed to the applicant the importance for him to supply documents pertaining to the layout, placement of the structure and the need for the structure to the Building Department in time for them to be in the Board packet.

The attorney will be providing the Board with information before the next Zoning Board of Appeals meeting and will be in attendance on November 18, 2020.

ADJOURNMENT

The workshop was adjourned at 5:50 p.m.
